What arrangements have been made by the Commr. to collect the orders of injunction and what is the nature of proceedings now being undertaken.

Why should not the Sums at credit be invested in G.P. Notes to earn interest. Has this been done.

If the contention of Lakshamma is only that she has a charge upon the lands, she may be willing to accept an undertaking that of the interest realizations upon the Sale proclamation will be paid to her during a term.

As regards the 1st query in the previous page, it is submitted from a reference to the Will that as observed by the Secretary, Lakshamma has only a right to a moiety of the net income from the Estate and in her Statement dt. 14th Janry. 1918, she admits this fact. But as she has been kept out of the estate all these years through interferences by Govt., she seems to make additional demand to make up for the loss sustained by her. As regard the revenue of the financial condition of the charities, it is submitted that the Sub Dept. officer's report received with S/ 13 confines itself up to Sept. 1915 and there is no clear information as regards the subsequent transactions.

Statement by 28-1-1918 is even available in the record giving some information till the beginning of this year.

As regards the statement of assets now received, it will be seen that it was prepared by the Amildar on 8th August 1918, and confines itself only to the realizations from the lands. The lands fetch a total sum of Rs 347-15-6, and after deducting fuel Exes, (Viz Rs 170-11) the net income comes up to Rs 177-3-9. There is no information about the interest realization from the cash deposits in Savings Bank - In the statement of January 1918, the annual interest for 1916-17 (Savings Bank) is given as Rs 29-6-1, but in a (one of) subsequent letter of a subsequent date (29th May 1918), the Dy Commr reports that certain surplus amounts were invested in the Savings Bank - It is perhaps necessary to know the total S B deposits and the annual interest accruing.

On a further careful perusal of the available papers I find that the information now available is insufficient to pass final orders.

Under the terms of the will Lakshamma is entitled to receive the net income. This includes both collateral debts, i.e. interest thereon if invested and income from lands. There is information as regards the latter, but none as regards former. Complete information on this point is necessary.

Again as regards arrears of allowances due to her, it seems to me fair to allow her the accumulated net income now in the hands of Govt. What will be the amounts due.

This is a very old case and complicated by a great deal of litigation though the main facts are fairly simple. These are summarised in the draft order.

This is an example of the evil of Govt. accepting a trust-liability complicated law suits and trying to discharge it by the ordinary Revenue agency. Besides the value of the properties are insignificant. Though it is now 13 years, the Bhat of the last letter has not yet been given effect to.

Lakshamma is an old woman of an obstinate and persistent type and it is just possible that she may yet give trouble, but the draft proposed seems to me to be the best solution of a difficult case

Lakshamma is entitled to a moiety of the net income which includes both collected debts & interest thereon if invested and income from land. There is information as regards the latter, but as there is none regarding the former, I am to request that complete information on this point may kindly be furnished. Again as regards arrears of allowances due to her, it seems to be fair to allow half the accumulations of net income now in the hands of Govt and I am to enquire what the amount due, will be.

Sir,

With reference to your letter No.2749/Muz.138-14-6 dated 12th March 1919, calling for certain additional information relating to the properties bequeathed by one Nagadi Krishnappa of Chikballapur for charitable purposes, I have the honor to state that, since the taking over of the properties by Government, there has not been, so far as Government is concerned, any collection of debts or investment of the collections. In fact, we are not aware for certain of the existence of such -- debts.

As regards Lakshmma's claims, they can be allowed if her conduct in respect of the properties had been fair. She has failed to -- produce the moveables belonging to Nagadi Krishnappa and his wife in spite of repeated demands (as already explanied in this office letter No.36 dated 19th July 1915) but she would at the same time claim a moiety of the income of the properties under Government Management. Without surrendering the moveables retained in her possession whose value by the way is not known, she filed suits for recovery of the moiety against the Deputy Commissioner entailing heavy expenditure for contesting the suits and thereby helped to fritter and reduce the properties available for ----- charitable purposes. For these reasons, I consider it necessary to shut her off from the accumulation of the past net income. She may, however as a matter of grace, be allowed a moiety of the net income from the lands under Government management from the commencement of the current official year.

The vernacular file ending with the Chikballapur Sub Division Officer's Yadi No.H.C.59/18-19 dated 22nd April 1919 is herein enclosed for kind perusal and obliging return when no -- longer reuired.

I have the honor to be,

3/ Government Proceedings No.4166 dated 26th March 1906, sanctioning the Deputy Commissioner's recommendation to take charge of the properties bequeathed by one Nagadi Krishnappa of Chikkaballapur for charitable purposes.

5/ (2) Petitions submitted from time to time by Lakshmamma ~~Lakshmaaa~~ ~~wi~~ sister of the deceased Krishnappa of Chikkballapur praying for the restoration of the properties, etc., to which she is entitled under the Will of her brother.

(3) Correspondence ending with letter No.1349 dated 20th May 1919, from the Deputy Commissioner, Kolar District, reporting on the management of the said estate.

Order No. 228-30 Exe. Office

Dated Bangalore, the 17th ~~May~~ July 1920.

Under a Will dated 11th October 1903, one Nagadi Krishnappa of Chikballapur bequeathed for charitable purposes certain moveable and immoveable properties, the former consisting of ~~certain~~ debts to be collected and the latter, of house in Chickballapur town and lands measuring 39 acres and 23 guntas and assessed at Rs.168-10-4; under the term

of the Will a moiety of the income was to be enjoyed by ~~his~~ her sister Lakshamma during life, and ~~that~~ out of the remaining half a certain number of Brahmans were to be fed daily in ~~his~~ her house.

2. Soon after the demise of the testator his cousin Naranappa took out a certificate to collect the debts of the deceased; but on a representation from Lakshamma, the management of the properties was assumed by Government, in the order referred to above.

3. ~~This action led to a series~~ Before this there followed protracted litigation. Naranappa the cousin impugned the genuineness of the Will, but the matter was set at rest by a decision of the Chief Court in appeal, and the genuineness of the Will was finally established. There were besides suits for the recovery of debts due to the estate and also suits against the estate, and the last of the suits has now been decided.

4. As some of the lands belonging to the estate were considered unprofitable, the Deputy Commissioner, ~~recommended and the Government sanctioned~~ in their Proceedings No. 2200-1/Mus 138-14-9 dated 20.3.16 ~~the sale of the lands and the investment of the proceeds~~ but the sale has not yet been conducted as Lakshamma the sister, objected to it.

5. During all these years of litigation, the terms of the Will could

not be carried out, and the payment of a moiety of the income to Lakshamma and the feeding of Brahmans have been in abeyance. A statement of accounts furnished on 24th November 1917, shows that there was a balance of Rs.750-2-2, at the credit of the estate which is reported to have been deposited in the Savings Bank and that the income from the lands is estimated at - - - Rs.177-3-9, a year.

6. Under the Will Lakshamma is no doubt entitled to a moiety of the income from the estate properties but her attitude towards the management has been the reverse of conciliatory. It is suspected that she has retained in her own possession moveable properties left by the testator and which should have gone to the estate account. For these reasons the Deputy Commissioner is of opinion that Lakshamma has no right to any payment on account of the past income, but that she may be allowed a moiety of the net income from the estate lands with effect from the current year.

7. The recommendations of the Deputy Commissioner are accepted with effect from the current year. Lakshamma will be given one half of the net income of all the immoveable properties belonging to the estate.

As regards the past income most of the amounts have been spent in litigations of ~~suits~~ courts and there is hardly any sum at credit which may be termed the accumulated income of the ~~est~~estate. However as a matter of grace a lump sum payment of Rs.200/- out of the amount invested in the Savings Bank will be made in lieu of her right to past arrears of income.

8. The arrangement sanctioned ~~in~~ above will be conditional on Lakshamma unreservedly accepting the same ~~in writing~~. Her ~~Advocate~~ acceptance should be ~~Lakshamma~~ in writing.

9. The Deputy Commissioner is requested to submit a report as regards the manner in which he proposes to spend the remaining portion of the income, consistently with the intentions of the testator as also the ~~....~~ arrangements as to the condition of the house and the use to which it may be put.
